## **Leica R7**

Comprehensive user's guide to the R7 system, with information on all operating modes. Advice on flash, lenses, filters and the system accessories such as motors.

## **Leica R6**

Complete user's manual for this all-mechanical Leica reflex, which gives the photographer complete control over all functions. The author explains how to take advantage of this.

## **Leica R8**

This book details the Leica R8 and its lenses and accessories, with guidance over handling and using this equipment. This manual will help both owners and prospective owners of an R8. Sections of lenses and their usage, as well as different drives and accessories with an extensive section on flash with the R8.

## **Leica Accessory Guide**

This book is used in conjunction with The Leica Pocket Book and Leica Price Guide and has been compiled from original Leitz sources. The book has two aims: the first is to act as the constant pocket companion for the Leica Collector in his travels; the second is to help Leica enthusiasts who want to study fascinating accessories in greater depth. It covers the whole period from 1924 to Spring 1996 and will enable the reader to place an individual accessory in its historical context with contemporary Leica models and lenses. Readers wishing to study Leica accessories further and looking for a more suitable bedside companion are referred to the author's Leica Collectors Guide which also includes comprehensive accounts of Leitz enlargers, projectors and binoculars.

## **Minolta Maxxum-Dynax 5xi**

Small enough to toss into a camera bag, yet thorough in coverage, Hove User's Guides are the best all-around camera manuals available. Each book describes the special features and operation of a single camera model or model family.

## **Leica Collectors Guide**

Thoroughly revised, brought up to date, and completely reset with some 60% more pages. The layout has been redesigned to make this edition much easier to use as a work of reference. All the numerous new products introduced since the first edition are included. Two new chapters have been added, one on Leica Digital Cameras and one on Leicina Cine Cameras, and a new section on leather cases. Additional information, corrections and comments from readers all over the world have been incorporated.
