## **Writing Prompts for Kids**

Are you looking for writing prompts for your school age children? Or maybe you are just searching for writing prompts to your kids more interested in creative writing? Well look no further as we have created this book of writing prompt and story starters for kids in Grades 1-3! Why are writing prompts important for young kids? At this age, children have the creative ability to write about a range of simple issues but usually they just need a bit of inspiration on how to start writing. Hence, our story starters can help them to tap into their imagination. To reinforce a good writing habit, it is also necessary to learn writing skills at this age. When kids begin writing, they will further learn how to put their thoughts on paper and how to use words to describe concepts. Now, to get them to enjoy writing, let's help to tap into their creativity of using fun writing prompts. ENJOY!

## **Second Grade Magical**

## **Likes and Dislikes**

Get Going With Creative Writing is a new, up to date, action packed series of five study books, that encourage children to write. They are aimed at children between the ages of 7 and 13 years, who have acquired some degree of reading fluency. These books have a lively magazine type format: featuring short stories to read and a variety of up to date non-fiction texts that will impact young readers and provide starting points for writing. Follow up activities will inspire even the most reluctant writers to write stories, poems, play scripts, diaries, reports, persuasive leaflets, letters and more. More than this, the child will learn writing techniques including: simple, compound and complex sentences - connectives - grammar tips - harder vocabulary and punctuation from our guinea pig guide. The books are suitable for use by teachers in the classroom or parents at home. The themed books can be used in any order, though the subject matter of 'About Me' and 'All About Animals' may appeal to younger children, who start working through the series. The themed books have been written by a teacher or tutor, have been trialled by the children she teaches and comply with the school curriculum. This is the first book in this excellent series from Guinea Pig Education. Please note, this is the US English version.
