are you able to go out in the streets in Edmonton ever?

the first time you guys met each other

So, I mean, how much you guys love Edmonton

what is the most hostile environment you've played in?

Do you guys ever pay attention to what people are saying off the ice?

when you think about playing hockey, or when you played pro hockey

is there a specific moment that stands out to you, that comes to the top of your mind

a specific game, or time period, or time when you played that's kind of fresher?

How about you, Connor, what's your favorite memory on the ice so far in your career?

What about a favorite place to vacation?

What about hockey in Canada versus hockey in the U.S.

has hockey really grown in the U.S.? Is it becoming more popular or as popular as in Canada?

How about playing against USA and that rivalry? How does that feel?

how do you feel now compared to when you first got to the league?

Wayne, do you feel like the game has gotten more physical and faster since you were a player, watching it now?

What does it feel like to get checked?
